**Short Takes**

**Govt Meets ₹10 Lakh Crone Credit Disbursal Target**

**NEW DELHI:** Agriculture credits growing every year and reached ₹10 lakh crore last fiscal. The government said on Tuesday while stressing upon the need to increase the flow to small farmers as well as providing loan access to tenant cultivators. The agriculture ministry will soon bring a proposal before the Cabinet for improving lending to small and marginal farmers based on the recommendations of the Sarvag committee. The target for the current financial year has been enhanced to ₹11 lakh crore," said Ashok Kumar Shinde, joint secretary in ministry of agriculture.

**Duty Likely on Chemical Import from 4 Countries**

**NEW DELHI:** India is likely to impose a 20% tariff on imports of chemical used in pharmaceutical and agriculture sectors from Indonesia, Malaysia, Thailand and Saudi Arabia, following a WTO dispute. The duty is imposed on import of domestic players from cheap imports of "saturated fatty alcohols" from these four nations. DGAD - the investigating arm of the commerce ministry - initiated a probe into the alleged dumping of the chemical on a complaint from the domestic industry.

**Strong Pace of Highway Awards to Continue: BOFAML**

**NEW DELHI:** India has increased to record levels and the momentum is expected to continue in this financial year too, as funding is not an issue and the pace of award acquisition has improved, said a report. According to BOFAML Merrill Lynch (BOFAML), 2018-19 is likely to be another robust year for the highway sector, even as some disruptions are likely in the fourth quarter of this fiscal owing to 2018 general elections. "Having sorted an issue in the near-term, and the pace of process of land acquisition has improved. Large number of clearances given to contractors for the awarding," BOFAML said in a research note.

**\$210m Loan Pact with World Bank for MP Roads**

**NEW DELHI:** India has signed a \$210 million loan agreement with the World Bank to improve road connectivity in Madhya Pradesh, the finance ministry said on Tuesday. The project will cover 65.5 km stretch of rural roads in Madhya Pradesh that fall under the Chief Minister's Gram Sadak Yojana. Of this 10,000 km will be upgraded from existing gravel to bituminous surface roads.

**Draft Rules Framed on Capital Gains Tax Where STT Not Paid**

Bonus shares, policy compliant foreign investment eligible for 10% tax even though STT not paid

**Our Bureau**  
New Delhi: The income tax department has put out draft rules specifying situations where the recently imposed capital gains tax would apply even though no securities transaction tax (STT) has been paid.

**Proposed Norms**  
Capital gains tax will apply on securities where STT is not paid. The draft rules specify that capital gains tax will apply on the sale of shares and other securities where STT has not been paid.

**Capital Gains Tax**  
Capital gains tax will apply on securities where STT is not paid. The draft rules specify that capital gains tax will apply on the sale of shares and other securities where STT has not been paid.

**SEI**  
The Finance Act, 2018 has introduced a new section on capital gains tax. This section covers capital gains arising from transfer of a long-term capital asset such as shares in a company or a unit of an equity oriented fund, or a unit of a business trust, at 10%.

The rules would come into effect from April 1, 2018 and accordingly apply to assessment year 2018-19 and subsequent assessment years. In all the three capital gains cases, the rule provides the conditions to enjoy the 10% capital gains tax. Preference shares acquired following approval by NCLT or Reserve Bank of India, those acquired by an eligible foreign investment fund or qualified institutional buyer, and those acquired under certain SEI regulations will enjoy the 10% tax. Similar benefits are available in case of off-market share purchases.

sees such as those acquired from government, acquisition by banks or asset reconstruction companies, employee stock option, under SEI's acquisition code covers the same scenario as were notified in 2017 in the context of shares acquired after 2004. To that extent, the draft is an expected clause and covers most genuine transactions," said Ashok Kumar Shinde, joint secretary in ministry of agriculture.

**India may Face Pressure to Cut Duties on 90% of Goods Traded with China**

**Washington**  
Washington's renewed interest in the Trans-Pacific Partnership (TPP) agreement, another major regional trade agreement, is expected to lead to a new trade deal with China in the near future. The trade agreement is expected to be signed by the end of the year. The draft rules specify that capital gains tax will apply on the sale of shares and other securities where STT has not been paid.

**SEI**  
The Finance Act, 2018 has introduced a new section on capital gains tax. This section covers capital gains arising from transfer of a long-term capital asset such as shares in a company or a unit of an equity oriented fund, or a unit of a business trust, at 10%.

**E-Comm Policy Framework to be Ready in 6 Months**

Task force set up to finalise contours of policy to deal with competition, regulation & taxation

**Our Bureau**

**Task Force**  
Taskforce will come out with a set of recommendations, which would be brought before the think tank in five months.

**New Delhi:** India will come out with a framework for e-commerce policy on e-commerce. In the next six months to deal with issues including competition, regulation, data privacy, taxation and related aspects such as localisation of servers and technology transfer. The government decided on Tuesday to set up a task force to finalise the contours of a policy for the e-commerce sector, commerce secretary P. Hota said.

**Coal India Ropes in IT to Make Manpower Profile Plan**  
Kolkata: Coal India has engaged a top IT firm to prepare a comprehensive manpower profile plan for the world's largest coal company that employs 2.1 lakh persons, including executives. "With advancement of technology, the manpower required to run the company has changed over time. While advanced machinery is being employed in mines, we are using advanced technology at Coal India head quarters to run daily businesses. This requires a fresh set of manpower profiling that this IT firm will prepare for and submit in next six months," said a senior Coal India executive. - Our Bureau
