

India's Solar Power Space Gets a Foreign Ray of Hope

Finland's Fortum Finnsurya emerges lowest bidder for 420MW solar projects offered in auction

Kaavya.C@timesgroup.com

New Delhi: Foreign firms have bid record low solar power tariffs of ₹4.34 per unit in the latest auction, making green energy even more competitive and brightening the prospects of India adding 1 lakh MW of solar power capacity by 2022.

Companies from Finland and South Africa have won projects in a solar park in Rajasthan, offering tariffs that are actually lower than some new coal-fired plants although older thermal units like those operated by NTPC charge less than ₹2 per unit.

Analysts said high solar radiation at the location and assured availability of land at the park would have attracted aggressive bids from foreign firms.

Fortum Finnsurya, a unit of Finland's state-controlled Fortum Oyj was the lowest bidder for 420 MW of solar projects offered in the latest reverse-auction conducted by NTPC at the solar park. The entire capacity has been won at tariffs ranging from ₹4.34 to ₹4.36. Rising Sun Energy and Solaire Direct of South Africa have won 140 MW each, while Forum Finnsurya and Yarrow Infrastructure, part of the RattanIndia Group, won 70 MW each.

The lowest tariffs until now had been ₹4.63 per unit offered by both Sun Edison and SB Energy — the joint venture of Softbank, Foxconn and Bharti Airtel — in winning

₹4.36/Kwh	Yarrow Infrastructure	Size: 70MW

bids made in November and December 2015, respectively. Sun Edison is building a 500 MW and SB Energy, a 350 MW capacity, both for NTPC in Andhra Pradesh.

A section of the industry had complained that tariffs of ₹4.63 were too low for the long-term future of the industry and sought the ministry's help, but power, coal and renewable energy minister Piyush Goyal has said the government would go by bids received in a transparent auction.

The winning bidders are upbeat. "We are delighted to be among the successful bidders," said Sanjay Aggarwal, managing director of Fortum Finnsurya Energy, in a statement. "The letter of intent (LOI) will be issued within 15 days from the completion of the auction process and the PPA should be signed

within 30 days after that."

Fortum Finnsurya Energy has already set up solar plants elsewhere in the country, with its 10 MW plant in Kapeli, Madhya Pradesh, under the Jawaharlal Nehru National Solar Mission (JNNSM), in December 2014.

"The Rajasthan bids have achieved the lowest tariff due to higher capacity utilisation factor (CUF) and lower land costs," said Anjali Rattan Nashier, CEO of RattanIndia Solar, in a statement. "The project will make our solar business leapfrog to the next level. We already have more than 200 MW of solar projects in the pipeline."

Higher capacity utilisation factor is due to the project's location. "Bhadla in Jodhpur district has the highest solar radiation in the country," said BK Dosi, managing

director of Rajasthan Renewable Energy Corporation. "The cost of development will also be lower because it is a desert area."

Among the states, Rajasthan leads in solar generation with around 1,200 MW of installed capacity. Ministry of new and renewable energy officials are delighted to see solar power prices continue their downward slide towards parity with conventional power. "It is a positive indication that as many as four parties won the auction around the same price range," said a senior official. "In the next auction, the price may even go down further by a few paise."

Vinay Rustagi, managing director of solar consultancy Bridge to India, said the provision of assured land may have made the difference. "The winning bidders are mostly international players," he said. "It shows that despite the falling prices, they feel they are getting the best projects possible because the solar parks are being provided by the government. International players are usually risk averse. The risk profile might not be as favourable in future auctions as the projects are on private land, non-governmental solar parks."

The e-auctions saw 20 bidders in all. Among those who were disappointed because their offered tariffs proved too high were heavyweights such as SB Energy, Sun Edison, Aditya Birla Nuvo, Reliance Clean Gen, Azure Power and ACME Solar.

NOURIEL ROUBINI LAUDS RBI GOVERNOR, FINANCE MINISTER

'India Can be a Bright Spot in Woe-stricken Economy'

Vinay.Pandey2@timesgroup.com

New Delhi: India, with an accelerated pace of reforms, has the potential to be one of the bright spots in a woe-stricken global economy, says "Dr Doom" Nouriel Roubini, the US-based economist famous for calling the 2008 global financial meltdown.

Roubini, who goes by various monikers including "permabear" for his usually circumspect views of things, told ET in an interview that while structural reforms in India were directional right, the speed of policy changes could be faster.

The Turkey-born, Italy-raised professor of economics and international business at New York University's Stern School of Business will be a guest speaker at the Economic Times Global Business Summit on January 29-30 in Delhi. He will be among a long list of luminaries speaking at the summit, due to be inaugurated by Prime Minister Narendra Modi.

Roubini, 57, who specialises in emerging markets, said the world economy had moved to a lower growth trajectory for some time to come and predicted emerging market growth now at 4-5% compared with 5-6% earlier.

Potential growth both in advanced economies and emerging economies has slowed down because of macro imbalances, financial excesses, debt and leverage, lack of structural reform and an ageing population, he said.

"Unfortunately, we are in a new abnormal for the global economy the way I call it. The IMF calls it new mediocre," he said, adding that it would continue for a few years with "maybe bright spots here and there".

"But they would be exceptions rather than the rule. Hopefully, maybe India, by pursuing more reforms, can be one of those bright spots," he said as he endorsed the government's re-

forms thrust. "I would say overall (the government's performance) is a positive one because there have been some macro-economic adjustments. The fiscal situation is better; the external situation is better," he said.

It was in part due to luck, Roubini said, noting that lower oil and commodity prices were a net positive both for fiscal balance and for the trade balance of the country. He also lauded Indian policymakers for their efforts, especially singling out finance minister Arun Jaitley and RBI governor Raghuram Rajan for praise.

NOURIEL ROUBINI Economist

Unfortunately, we are in a new abnormal for the global economy the way I call it. The IMF calls it new mediocre

"You have a very strong governor of the central bank who has the right ideas about how to maintain growth but also reduced inflation to target and (knows) how to do financial reforms," he said, adding: "You have a very solid finance minister who is very capable."

Asked what he would like India to do, Roubini said he would ideally like to see more macro adjustments and faster structural reform, but acknowledging the constraints the government faced in pushing faster reforms.

"There are a number of political constraints both at the federal level, with the ruling coalition not pulling control of all the

legislative houses, and also at the local level," he said.

"There was maybe excessive optimism that the current government could do many reforms fast, (but) now there is a bit of reality check," he said, noting, however, that India was faring much better than many other countries.

"I think among the emerging markets...BRICS, most of them are either in recession or slowing down. With the exception of India. Even if official numbers of growth might be having some statistical issues...certainly growth so far has been solid," he said.

Roubini said the Indian economy's closed nature relative to some of its Asian peers may have helped it withstand some of the headwinds better, but noted that the country offered significant headroom for growth of domestic demand.

Asked about the growing debate on whether India should relax some of its fiscal deficit targets and go for higher public spending to bolster growth, he said ultimately what mattered was the quality of spending.

"Composition of government spending should be addressed with a slower growth of current spending and faster growth of...capital spending," he said.

Yatra.com 'Acqui-hires' Travel-logs

Divya.Sathyanarayanan@timesgroup.com

Mumbai: Travel portal Yatra.com has acquired Mumbai-based Travel-logs that specialises in customised city walks and private tours.

Travel-logs, which was founded in 2012 by entrepreneur Dhireesh Sharma, curates experiences within the city around themes like heritage, culture, art and architecture. The firm primarily focuses on city tours within Mumbai and has done customised tours for corporates and educational institutions.

"It is about experiencing your own city and the idea is to curate all the experience in a metro-whether it be cycling tours, walking tours, food trail, etc — which is available within the city,"

Sharat Dhall, president of Yatra.com told ET.

Sharma will join Yatra as head of its new segment — Metro X — which will curate experiences across Indian cities revolving around different themes. The new segment will be launched in Mumbai by the end of February and expand to other metros soon.

"People who live in the city should be able to see value in the city and this is what drives us. We try to create value out of the age-old heritage and culture, which not many people know," said Sharma. In 2014, the firm conducted a tour of south Mumbai for the Asia Business Council that saw personalities such as Pheroza Godrej, wife of Jamshyd Godrej, chairman of Godrej & Boyce Manufacturing, and Vodafone global chairman Gerard Kleisterlee among participants.

Yatra.com's acqui-hiring Travel-logs is another

instance of a growing trend in the travel industry where one company takes over another primarily for the skills and expertise of its staff rather than for its products or services. Last year, Ixigo acqui-hired Desi Backpacking Travelers while travel and review portal HolidayIQ acqui-hired mobile app company SourceN India recently to scale up its mobile offering.

Gurgaon-based Yatra.com claims to have 15 million unique visitors every month. It recently entered the homestay accommodation space under its budget brand 'TG stays'. The travel firm also launched a marketplace model for holiday packages on its website, wherein it is partnering with offline travel operators to list their packages on the Yatra website. "Customers get more options, while travel operators get access to huge amount of traffic to their packages," said Dhall.

Voda Looks to Deploy 4G in Haryana, UP-East by April

Deepali.Gupta@timesgroup.com

Mumbai: Vodafone India is looking to deploy 4G networks in Haryana and Uttar Pradesh (East) after it finishes in the five circles where it bought airwaves specifically for the high-speed data technology, a person familiar with the matter said, adding that the Kolkata launch will be on January 25. In Haryana and UP(E), Vodafone has back-up bandwidth for 2G and 3G services with additional liberalised spectrum in the 1800 MHz band to launch 4G technology, the person said.

"At the speed of the current rollouts, those launches may happen as early as April, when Reliance Jio is expected to go commercial. The company is in the process of firming up offers and bundles for its Kolkata customers," the person added.

The telco is offering 1 GB of free 4G data on pre-booking its 4G SIMs in Kolkata, bookings for which started on January 12. Through this offer, pre-paid customers can enjoy free 1GB, 4G data for 10 days whereas post-paid customers will get the same for 30 days.

A Vodafone spokesman declined to comment on the specifics of the 4G rollout plans of India's second-largest operator. "As part of phase II of our 4G rollout, there are more circles planned for early FY17," he added.

India is in the midst of a race among top operators to get first mover advantage on 4G in high data or Internet consuming mobile consumers, as voice market growth seems to have peaked out. The largest looming threat has been Mukesh Ambani-owned Reliance Jio Infocom, which has been talking of a 4G launch for over five years but has not commercially opened its doors.

Among the incumbents, Bharti Airtel was the first to launch 4G but the high 2300 MHz frequency has signal reach issues. Vodafone, which has restricted its technology launch to the 1800 MHz frequency, launched in December in Kochi and said it will launch in the five service areas by March. In the spectrum auction of 2015, the local unit of UK's Vodafone Group Plc bought 5MHz of airwaves in the 1800 MHz band in Delhi, Karnataka, Kerala, Kolkata and Mumbai for 4G services, as its parent already had extended 4G rollouts in Europe.

गिरगाव चौपाटी नव्हे, 'स्वराज्यभूमी'

म. टा. खास प्रतिनिधी, मुंबई

महामुंबईची स्मारक आणि पुतळे उभारण्याच्या मागणीचा रेटा वाढत असतानाच लोकमान्य टिळक स्वराज्यभूमी स्मारक समितीनेही आम्ही भूमिका घेत, गिरगाव चौपाटीचे नामकरण स्वराज्यभूमी करण्यासह लोकमान्यांचे येथील दुर्लक्षित असलेल्या समाधीस्थानी ध्वजस्तंभ उभारण्याची मागणी समितीने केली आहे.

स्वातंत्र्यलढ्यात टिळकांनी दिलेले महत्वपूर्ण योगदान आजही दुर्लक्षित राहिले आहे, गांधी युगापूर्वी टिळकयुग होते त्याचा विस्मयकारण पडला आहे, अशी टीका लोकमान्य टिळक स्वराज्यभूमी स्मारक समितीने मंडळवारी मुंबईत घेतलेल्या पत्रकार परिषदेमध्ये केली. टिळकांच्या कार्याचा गौरव करण्यासह नव्या पिढीलाही टिळकांचे कार्यकर्तृत्वाची जाणीव असावी, यासाठी गिरगाव चौपाटीवर ध्वजस्तंभ उभारणी केली जाणार आहे. या ध्वजस्तंभास सी.आर. झेडची परवानगी मिळाली असून, शासनाने त्यास तलवत: मान्यता दिली आहे, असे सांगत, याचे वास्तुशिल्पकार डी.एम. उपासनी असल्याचे समितीचे अध्यक्ष प्रकाश सिलाम यांनी स्पष्ट केले.

लोकहितासाठी लो. टिळकांनी सार्वजनिक गणेशोत्सवाची स्थापना केली, मुंबईतील गणेशोत्सव मंडळानाही

त्यांचा विस्मय पडला आहे. या सार्वजनिक मंडळानाही एकत्र येऊन स्वराज्यसाठी अखंड झगडणाऱ्या या महापुरुषापुढे ध्वजस्तंभ उभारून प्रत्येक वर्षी १५ ऑगस्ट व २६ जानेवारी रोजी त्यांच्याविषयी कुतूहल व्यक्त करावी, अशी अपेक्षा डी. उज्वला मेहंदळे यांनी यावेळी व्यक्त केली.

लोकमान्य टिळकांनी सार्वजनिक गणेशोत्सव आणि शिवजयंती उत्सवाची सुरवात केली, या उत्सवावर आज अनेक मूर्तीकार, सजावटकार, रोषणाईकार उपजिविका करत. मात्र या सार्वजनिक मंडळाच्या कार्यकर्त्यांनाही लो. टिळकांचे समाधीस्थान नेमके कुठे आहे, हे माहिती नाही. या उत्सव मंडळातील कार्यकर्त्यांनी प्रजासत्ताकदिनी गिरगाव चौपाटीवर उपस्थित राहावे, असे आवाहन टिळकांचे पत्नी शैलेश टिळक यांनी केले आहे.

इतिहास पुस्तकात हवा

लो. टिळकांच्या पुतळ्यापुढे उभारण्यात येणार्या या ध्वजस्तंभासह लोकमान्यांच्या समाधीला शासकीय सन्मान मिळवण्यासाठी समितीने प्रयत्न सुरू केले आहेत. शालेय अभ्यासक्रमात टिळकांच्या पुतळा उभारण्याचा इतिहास देण्यासह गीतासहस्र्याचा अभ्यासक्रमात समावेश करावा, अशीही मागणी समितीने केली आहे.

टाण्यात तिवरांवर इमले?

बांधकामासाठी होणाऱ्या कत्तलीची चौकशी करण्याचे आदेश

Sureshchandra.voidya @timesgroup.com

मुंबई : टाणे खाडी भागातील पाणथळ आणि मिठागरांच्या जागेवरील एका बिल्डरच्या बांधकामामुळे तेथील तिवरे नष्ट झाली असून पर्यावरणाला धोका निर्माण होण्याची चिन्हे दिसून येत आहेत. बांधकामासाठी पाणथळ भागात मातीचा भराव टाकण्यात आला व तिवरांची झाडे नष्ट झाली. हे अतिक्रमण असल्याचे अर्जादारांचे म्हणणे होते. हाभराव काढून टाकावा व बांधकामाला स्थगिती देऊन पूर्ववत स्थिती करण्यात यावी, अशी मागणी अर्जात केली होती. अर्जादारातर्फे अॅड. प्रवर्तक पाठक यांच्यासह स्वरूप गोडबोले व निखिल मलानी यांनी बाजू मांडली.

खाडी भाग, निर्जन मिठागर परिसर आणि पाणथळ क्षेत्र अशी तीन भागात विभागणी झाली आहे. त्यापैकी मिठागर भागात या कंपनीचे बांधकाम सुरू असल्याचे अर्जादारांनी आढळून आले. बांधकामासाठी पाणथळ भागात मातीचा भराव टाकण्यात आला व तिवरांची झाडे नष्ट झाली. हे अतिक्रमण असल्याचे अर्जादारांचे म्हणणे होते. हाभराव काढून टाकावा व बांधकामाला स्थगिती देऊन पूर्ववत स्थिती करण्यात यावी, अशी मागणी अर्जात केली होती. अर्जादारातर्फे अॅड. प्रवर्तक पाठक यांच्यासह स्वरूप गोडबोले व निखिल मलानी यांनी बाजू मांडली.

पर्यावरण खात्याला सवाल

कंपनीचे बांधकाम ज्या ठिकाणी सुरू आहे त्या 'सीआरझेड' क्षेत्राची पर्यावरण खात्याच्या २७ सप्टेंबर, १९९६ च्या अधिसूचनेनुसार फेररचना करता येते का, असा सवाल लवादने केला असता पर्यावरण खात्याला त्याबाबत समाधानकारक उत्तर देता आले नाही.

कोणतीही बाधा नाही

पाणथळ भागात भराव टाकलेला नसून तिवर नष्ट केलेली नसून आम्हाला टाणे पालिका व कोस्टल झोन मॅनेजमेंट अथॉरिटीने मंजुरी दिली आहे, असा दावा बिल्डरतर्फे लवादपुढे प्रतिसाधने करण्यात आला. पर्यावरण खात्यानेसुद्धा आमच्या बांधकामाला दिलेली परवानगी कायदेशीर असल्याचे बिल्डरचे म्हणणे आहे.

घावा. बिल्डरला बांधकाम सुरू ठेवण्याची मुभा दिली असून अंतिम निकालावर त्याचे भवितव्य राहिले त्याची खरेदीदारांना कल्पना द्यावी, असे लवादने आदेशात बजावले. त्याशिवाय बांधकामाच्या ठिकाणी पर्यावरण व कोस्टल मॅनेजमेंट प्राधिकरण अधिकाऱ्यांनी भेट देऊन बिल्डरने अर्दीचे पालन केले आहे की नाही, त्याची शहानिशा करण्यास सांगितले आहे. बिल्डरला देण्यात आलेली सीआरझेड व पर्यावरण मंजुरी तक्रारीच्या अंतिम निकालापर्यंत स्थगित राहतील, असेही लवादने स्पष्ट केले.

गुरमीत राम रहीम यांनी माफी मागावी

म. टा. खास प्रतिनिधी, मुंबई

गुरमीत राम रहीम यांची नवकल केल्याप्रकरणी अभिनेता किंकू शारदा यांच्याविरोधात हरयाणामध्ये गुन्हा नोंदवण्यात आल्याच्या घटनेवरून कलाकारांनी तीव्र संताप व्यक्त केला आहे. 'हा प्रकार अतिशय दुर्दैवी असून, परिस्थिती अशीच राहिली तर यापुढे आम्हा सर्वच कलाकारांना अटकपूर्व जामीन घेऊन काम करावे लागेल', असे सांगत, गुरमीत यांनी किंकूची जाहीर माफी मागावी, अशी मागणी कलाकारांच्या संघटना असलेल्या सिने टोळी ऑस्ट्रेलिया असोसिएशन (सिंटा) आणि फॉइस फेडरेशन ऑफ वेस्टर्न इंडिया सिने एम्प्लॉईज (फॉइस) यांनी केली आहे.

ते लागू होते. परंतु, किंकूचा असा कोणताही उद्देश नव्हता. त्याने माफीही मागितली होती. तरी रातोरात त्याला मुंबईतून हरयाणाला हालवण्यात आले. तिथेच दोन हजार लोकांच्या जमावात तो होता. हा समाज प्रकार भयानक आहे. याचा बैटकीत निषेध केला गेला', अशी माहिती अभिनेत्री रेणुका शहाणे यांनी दिली.

धार्मिक तेढ वाढवल्याचे कारण पुढे केले जात असले तर मुळात गुरमीत यांचा असा कोणता धर्म आहे का, हे तपासण्याची गरजही या बैटकीत व्यक्त झाली. गुरमीतही एक कलाकार आहेत. सिंटाचे सदस्य आहेत. सिंटाचे त्यांना मागण्याबाबत पत्र पाठवायचे उरवले आहे. गुरमीत यांनी माफी न मागितल्यास यापुढे प्रदर्शित होणाऱ्या त्यांच्या सर्व कलाकृतींवर बहिष्कार टाकण्याचे उरल्याचे शहाणे यांनी सांगितले.

किंकू यांच्यावर गुन्हा दाखल होत असले, तर हा कार्यक्रम दाखवण्याचा चॅनलवरही गुन्हा दाखल व्हायला हवा होता यावर बैटकीत एकमत झाले. झाल्याप्रकरणी माहिती व प्रसारण राणा, अमित बहल, ब्रजेश हिरोजी, लुब्ना सलीम आदी मंडळी हजर होती. मुरादाबाद येथे चित्रिकरणत व्यग्र असलेला किंकूही यावेळी व्हिडीओ कॉन्फरन्सिंगद्वारे बैटकीत सहभागी झाला. 'किंकूविरोधात लावलेले कलम अतिशय दुर्दैवी आहे. धार्मिक तेढ वाढवण्यासाठी मुद्दा मकेलेल्या वर्तनास

लोकल सेवेस 'तडे'

म. टा. खास प्रतिनिधी, मुंबई

जानेवारीतील थंडीने रेल्वेच्या रुळांनाही फटका बसण्यास सुरवात झाली आहे. यंदाच्या वर्षात थंडीसह काही तांत्रिक कारणांमुळे मध्य आणि हार्बर रेल्वेचे विविध १५ ठिकाणी रुळास तडे गेल्याच्या घटना नोंदवण्यात आल्या आहेत. त्यात, मंगळवारी पहाटे सायन स्टेशनजवळ रुळास तडा गेल्याच्या प्रकरणाचाही समावेश आहे. हिवाळ्यात रुळास तडा जाण्याचे प्रमाण वाढत असल्याचे सांगण्यात येते. सीएसटी येथे सोमवारी हार्बरवरील

प्लॅटफॉर्म क्रमांक दोनवर दुपारी रुळास तडा गेल्याची नोंद झाली. तर, १३ जानेवारी रोजी एकाच दिवशी तीन ठिकाणी रुळास तडा गेला होता. या दिवशी सकाळी सहा ते नऊमध्ये कल्याण, सायन, कर्जतजवळ रुळांला तडा गेला.

'मरे' आणि हार्बरवर डीसी ट्रॅक सफाई यंत्रणा आहे. सीएसटी ते कल्याण आणि कर्जतपुढे काही ठिकाणी ही यंत्रणा आहे. या यंत्रणेमुळे रुळांला तडा गेल्याचे लक्षात येते. त्यासह, रुळांची पाहणी करणाऱ्या गॅंगमनमुळे तडा गोष्टी तातडीने लक्षात येतात.

अशोक चव्हाण पॅनेलचे 'भाऊराव'वर वर्चस्व

मुंबई : माजी मुख्यमंत्री अशोक चव्हाण यांचा पराभव करण्यासाठी लोकसभा निवडणुकीपासून एकत्र आलेले राष्ट्रवादी काँग्रेस, शिवसेना आणि भाजप यांच्या महाआघाडीला नॅडेड जिल्हातील भाऊराव चव्हाण सहकारी साखर कारखान्याच्या निवडणुकीत दारुण पराभव पत्करावा लागला आहे. चव्हाण यांच्या पॅनेलने सर्व जागा जिंकल्या असून, विरोधकांच्या महाआघाडीच्या पदरी पुन्हा अपयश पडले आहे.

लोकसभा निवडणुकीवेळी अशोक चव्हाण यांना नॅडेड लोकसभा मतदारसंघात पराभूत करण्यासाठी राष्ट्रवादीसह शिवसेना आणि भाजप विरोधक एकवटले होते. त्यानंतर विधानसभा निवडणुकीतही या विरोधकांनी हातमिळवणी केली होती. भाऊसाहेब चव्हाण साखर कारखान्याच्या निवडणुकीतही विरोधकांची महाआघाडी चव्हाण यांच्या विरोधात उभी राहिली होती. परंतु या निवडणुकीत चव्हाण यांच्या नेतृत्वाखालील शेतकरी विकास पॅनेलचे सर्व उमेदवार निवडून आले आहेत. मागील आठवड्यात हिमायतनगर व नायगाव नगर पंचायतच्या निवडणुकीतही या चव्हाण यांच्याविरोधात विरोधक एकवटले होते. तेथेही काँग्रेसला विजय मिळाला आहे.

नॅडेड जिल्हातील येथेच येथील भाऊराव चव्हाण सहकारी साखर कारखाना १९९६ मध्ये स्थापन झाला आहे.
